
GOLF BOARD MINUTES

Sept 8, 2008

Present: Charlie Van Gerpen, Todd Surdez, Tom Farnsworth, Dean Heymans, Jesse Naze, John Knox, Kay Tobin, Teri Ellenbecker, Craig Smith and Dr. Richard Schoessler

Chairman Van Gerpen called the meeting to order. Some membership behavior issues were discussed as well as slow play. Todd will address issues with those involved.

Dean reported fall aerification went well. Greens were sanded and are in good shape. A mailbox for scorecards will be placed at the #2 tee box. Dean is working with the View 34 owners on work on the grounds where the old swimming pool was. Several members reported very positive compliments from membership and out of town players on the course condition.

Todd reported the last 5 days have been the summers busiest with large tournaments each day. Todd will attend Level 4 certification school in Phoenix Oct 10-18. He reported the # of rounds played is improving.

Tom gave a financial update and with a good Sept and Oct the course will be very close to making budget and possibly better.

John reported the men will have a meeting this weekend sometime during their championship tournament. The raffle sales will be discussed at both the men's and women's club meetings this month. They will also talk about the proposed added fees for 2009 membership. The proposed fees are on the website.

The 2009 fees will be discussed and set at the October meeting.

Dr. Richard Schoessler donated a new Baretta shotgun valued at \$500 for an upcoming raffle. Details will be presented at the monthly golf meetings. Work on the clubhouse will not begin until next spring.

Respectfully Submitted
